A Weekly Newspaper Devoted to Furthering the Civic and Rural Interests of the Whole of Washington Township

51 YEARS OLD — NILES, CALIFORNIA FRIDAY, MAY 26, 1939 — No. 21

AROUND *the* TOWNSHIP

Today is Alameda County Day at the Golden Gate International Exposition on Treasure Island. Nuff sed.

That accounts for the deserted appearance of streets and shops in the communities throughout the township. They are at the Fair.

And, on the Island the kiddies are having a big time at the Federal Theatre's children's show every afternoon from 1 to 4.

* * * *

Tomorrow, all over the township will be Buy A Poppy Day. Coming just before Memorial Day the sale should be a big success and help greatly in replenishing the coffers of the Disabled War Veterans who make the little flowers during each year for the occasion of the sale.

This is another occasion for a March of Dimes and the township, as always, will go over the top.

* * * *

Baked ham, what am, should prove a toothsome morsel for those business and professional men and others who put their lower extremities under the festive board at the Toyon garden party in the Shinn gardens tomorrow noon.

Besides getting a good meal, the money thus spent will go to the fund for maintenance of the Children's Hospital of the East Bay.

And, you gotta eat some place!

* * * *

Maybe there won't be a lot of machinery humming, but just the same it's a mighty good feeling in the right direction to know that the Schuckl Cannery once more is furnishing employment to upwards of 75 men during the processing of cherries.

And, within a few days more, we have heard, the industry bee will be busily buzzing over Irvington way when the Steiger and Kerr stove foundry gets going.

And this is putting men to work and we have it on no less authority than President F. D. R. that this must be done.

* * * *

It's a three-way tie for the leader over on the softball lot at Washington High at the end of the second week of games. Newark Sportsmen, Centerville Native Sons and Niles Kraftile each have three victories and a single defeat.

Others trail with Wedgewood, K. of P. and Niles Jaysees standing even up with two wins and two losses. Centerville K. C.'s won a game and lost a trio of contests while Gilmore Steel holds the cellar position having failed to garner a marker in the win column in four starts.

Anyhow, it's a hot time on the diamond Monday evening through Thursday—two games each night.

Grade School Pupils Hear About Mosquito Breeding And Control

NILES—Upper grade students of Niles Grammar School heard a talk on the control of mosquitoes as a part of the Alameda County Mosquito Abatement District's annual drive to enlist public cooperation in preventing "unnecessary" mosquito breeding. The talk was given by R. B. Van Etten, district employe.

"Mosquitoes breed only in standing water, but they don't need much water," Van Etten pointed out. "An inch of water in the bottom of a tin can provides a place where a Mosquito may raise a family of several hundred offspring. Avoid mosquito trouble by inspecting your premises and dumping anything that holds water—buckets, barrels, ornamental vases, tin cans, old tire casings, and so on."

Van Etten urged particularly that residents who have ornamental ponds make sure the ponds are stocked with either goldfish or mosquito fish, which both devour mosquito "wrigglers." Mosquito fish may be obtained without charge from Roland Bendel, the district's Washington Township foreman, at P. O. Box 161, Decoto, telephone Niles 128W.

THIRD HIGH SCHOOL FACULTY MEMBER WILL BE MARRIED SOON

CENTERVILLE—Wedding bells are ringing in a trio at the Washington Union High School.

The affair was also in honor of Miss Antoinette Botelho, music teacher, whose marriage to Dr. I. C. Bornholdt of San Francisco will take place on June 24.

Initial Meeting Is Held To Plan For Newark Town Hall

NEWARK — From all indications, Newark will have a town hall or community club house.

The first steps toward this end were taken at an enthusiastic meeting of representative civic clubs of this community at the grammar school last week. The meeting was called by the Boosters Club which will announce the date for another meeting in the near future.

Dick Howell presided and among those taking part in the discussion were Ernest Frick of the Newark Boosters Club, Art Cotton of the Sportsmen's Club, Miss Edith Meneze of the Sportswomen's Club, Mrs. Daisy Snow of the Women's Improvement Club and Miss Mary Duarte of the Blue Birds. Others speaking were Lowell Stark, Mrs. Lena Bertolotti, W. T. Lowe and Mrs. Norma Wilburn.

Various plans for financing the project were discussed, ranging from benefits to be given by the club members, stock-buying in the building association and the Federal Housing Administration plan.

It seemed unanimous that the people of Newark would be willing to cooperate in the move to secure such a building. It is probable that a rough draft of the building and a method of financing will be outlined at the next meeting to be called by the Boosters Club.

Dick Howell suggested that once the building is secured and an association formed that there would be an opportunity to discuss other town improvements such as sidewalks, etc.

At the close of the meeting motion pictures were shown by Principal Jack MacGregor. About 50 were present.

Memorial Day

When taps sound their clear melody on Memorial Day, next Tuesday, they will awaken thoughts of that dark hour in American history when this nation was rent asunder by civil strife.

They will awaken memories of that other momentous hour in history when America sent her young warriors to the battlefield of Europe.

"Over there!" was the stirring song of those days, and it's over there that thousands now lie sleeping in green fields where crosses lie row on row.

For that struggle, the world suffered much and paid its dear price in blood and tears.

Even now can it be said that the world has ceased paying the price? Has it won peace, or the promise of peace? Today old Europe is ruddy with the glare from the war god's furnaces, uniformed men by the millions stand ready and waiting, and Might sits enthroned once more as supreme and final arbiter at the council tables of Europe.

Yet the will to peace is stronger today in the hearts of men than ever before. Few have escaped the knowledge of its horrors, or its boon companions, Suffering and Destruction. In these truths, lies hope for peace.

It was in this hope of winning lasting peace for the world that American soldiers laid down their lives in the last war. This Memorial Day is to honor their sacrifice. But it can also be a day for America to pledge itself to keep faith with the hope which guided them.
